Our next Meeting

7th May 2009 8pm Hatfield Social Club

A note from Colin

Hi Everyone

April 2009

Time is getting on for our rally and I would like to remind everyone if you haven't yet completed your entry form, please do, it will be of great help to people attending to know about your car, also its number and class. It makes it easier for them to find cars of interest.

Also we have our cars on display next Saturday 2nd May, in Hatfield Town centre to promote the Society and the rally, hope some of you can make it. (Weather Permitting)

In addition, Alan has organised a place in Stevenage on Saturday the 23rd May. This is the first time we have been able to do this in Stevenage thanks to Alan perseverance at the Council offices.

We still need stall holders as they are very thin on the ground. As far as entertainment is concerned I think we have it all covered, so at least people will not be bored.

Hope to see members at our next club meeting where we can discuss the day.

Thanks again for your support.

Best wishes
Colin (Hon Sec)

NEW MEMBER

Awarm welcome to our New Member

Brighter Bulbs for your Classic

For a number of years we have been making Quartz Halogen headlamp bulbs especially to fit the headlamps of older cars from the 1920s onwards.

These bulbs fit the existing holders without modification and give much brighter headlights & a longer beam We have Quartz Halogen Bayonet cap bulbs for cars pre-1950s and British Pre-Focus for later cars in both 6V and 12V

Please pass on my contact details to your members as I am certain that they will find our bulbs a welcome improvement.

Regards

Paul Goff
